**STAR
WARS**

**FORTIETH
ANNIVERSARY**

"Star Wars" signage, logos, imagery, and all that, are registered trademarks of Lucasfilm, which is now owned by Disney, and we really don't want to run afoul of those lawyers, so we promise we're not attempting to infringe on anything but instead are merely celebrating and honoring and so on and not putting forth anything as though it were in any way official.

**FIRST WORLD WAR
ONE HUNDREDTH ANNIVERSARY**
