Join us for another MiniCon!

We're back again with another round of MiniCon action! This time, we've got more categories with special awards for Best of Show, People's Choice and Best Junior! Plus, if you're looking to thin the stash, we're also featuring the Tailgate Swap Meet*. Come out and join us on November 12—Bring kits you want to sell or trade, pick a parking spot, and set up your tailgate table.

*Tailgate Swap Meet and MiniCon details and rules available on our website

Getting Down to Business

Just like we did last year, this event will be much smaller in scope. Although we have reduced the overall number of **main categories** and entries because of the smaller venue, there is a silver lining. The good news is that we've added **more sub-categories** to the aircraft, armor and automotive sections!

Here's the breakdown:

\$15 Registration per entrant/first 5 models

\$2 For each additional model

1 Model per category

Now for the fine print:

- If 1/32 aircraft is your thing, cool! We love big planes too! Just know that you'll be grouped together with the quarter-scale guys.
- All armor categories will combine 1/48 and smaller.
- For the diorama builders out there, you'll be limited to 12"x12". Space is at a premium and we just don't have a lot of room to go around.
- If you're planning on offering your wares with the tailgating/swap meet, it's first come, first served. A smaller venue means a smaller parking lot, and all vendors will have to set up outside, so please plan accordingly.

For a full list of categories, plus contest rules, eligibility, guidelines, registration and model entry forms, visit our website www.ipmseaglesquadron.org/minicon-2022

*Additional categories may be created prior to contest at the discretion of the contest committee. See website for the latest. Head judge reserves the right to create limited category splits.

American Legion Post 116 6400 Johnson Pond Rd, Fuquay-Varina, NC 27526

Highway 401 to the stoplight at Mill Creek. Turn on to Mill Creek Drive

Turn right at first intersection (4-way stop) on to Johnson Pond Road.

The American Legion Post is approximately 7 tenths of a mile on the left

PLEASE NOTE: Because this event's venue is located just outside of the main town of Fuquay-Varina, it is suggested to google map from your specific location to ensure the best route.
